Rules for Interpretation

Golden Rule:

When the plain sense of Scripture makes common sense, seek no other sense.

Law of Recurrence:

An event in Scripture may be recorded twice with the second account included in order to provide additional detail.

Rules for Interpretation

Law of Double Reference:

Scripture may blend together within a single narrative two different events separated in time.

Interpreting Symbols:

Scripture usually interprets symbolic language within its own context, or else we rely on other Scripture to provide the interpretation

The Outline of Revelation

Revelation 1:19

A. The things John saw

B. The things that are

C. The things that take place after these things
